## Flexible Online Summer Courses Available

**English 1, 2, 3, & 4** (parts 1 & 2)  
**Algebra 1** (parts 1 & 2)  
**Algebra 2** (parts 1 & 2)  
**Geometry** (parts 1 & 2)

**American Government/Civics**  
**Life Management (Health)**  
**Earth/Space Science** (parts 1 & 2)

- All courses are taught by a CT Certified Teacher and are approved by the CT State Department of Education.
- All courses are offered on a flexible schedule – students may begin now or at any time. Full curriculum courses are not modified to accommodate a summer schedule. Careful time management will be necessary to complete all of the work during summer and school mentors need to track this progress.
- Students may continue with their course into the fall. There is no charge for early completion; however there is a fee for extended time beyond 20 weeks.

**\$295 per student, per course.**

**No membership fees. No training costs.**
